PRAEMBEL

This annex details the parties' obligations on the protection of personal data, associated with the processing of personal data on behalf of Company as a data controller, and described in detail in the main agreement. Its regulations shall apply to any and all activities associated with the Agreement, in whose scope Supplier's employees or agents process Company's personal data (hereinafter, "Data") on behalf of Company as a controller (hereinafter, "Contract Processing").

1. SCOPE, DURATION AND SPECIFICATION OF CONTRACT PROCESSING OF DATA

The scope and duration and the detailed stipulations on the type and purpose of Contract Processing shall be governed by the Agreement. In particular, the data described in Appendix 1 are part of the data processing.

Except where this annex stipulates obligations beyond the term of the Agreement, the term of this annex shall be the term of the Agreement.

2. SCOPE OF APPLICATION AND RESPONSIBILITIES

(1) Supplier shall process Data on behalf of Company. Such Contract Processing shall include all activities detailed in the Agreement and its statement of work. Within the scope of this annex, Company shall be solely responsible for compliance with the applicable statutory requirements on data protection, including, but not limited to, the lawfulness of disclosing Data to Supplier and the lawfulness of having Data processed on behalf of Company. Company shall be the »controller« in accordance with Article 4 no. 7 of the GDPR.

(2) Company's individual instructions on Contract Processing shall, initially, be as detailed in the Agreement. Company shall, subsequently, be entitled to, in writing or in a machine-readable format (in text form*), modifying, amending or replacing such individual instructions by issuing such instructions to the point of contact designated by Supplier. Instructions not foreseen in or covered by the Agreement shall be treated as requests for changes to the statement of work. Company shall, without undue delay*, confirm in writing or in text form any instruction issued orally.

3. SUPPLIER'S OBLIGATIONS

(1) Except where expressly permitted by Article 28 (3)(a) of the GDPR, Supplier shall process data subjects' Data only within the scope of the statement of work and the instructions issued by Company. Where Supplier believes that an instruction would be in breach of applicable law, Supplier shall notify Company of such belief without undue delay. Supplier shall be entitled to suspending performance on such instruction until Company confirms or modifies such instruction.

(2) Supplier shall, within Supplier's scope of responsibility, organise supplier's internal organisation so it satisfies the specific requirements of data protection. Supplier shall implement technical and organisational measures to ensure the adequate protection of Company's Data, which measures shall fulfil the requirements of the GDPR and specifically its Article 32. Supplier shall implement technical and organisational measures and safeguards that ensure ongoing confidentiality, integrity, availability and resilience of processing systems and services. Company is familiar with these technical and organisational measures, and it shall be Company's responsibility that such measures ensure a level of security appropriate to the risk.

The actions described above will be explained in detail in Appendix 2

Supplier reserves the right to modify the measures and safeguards implemented, provided, however, that the level of security shall not be less protective than initially agreed upon.

(3) Supplier shall support Company, insofar as is agreed upon by the parties, and where possible for Supplier, in fulfilling data subjects' requests and claims, as detailed in chapter III of the GDPR and in fulfilling the obligations enumerated in Articles 33 to 36 of the GDPR. (Note: The parties are free to agree upon a remuneration for such support in the agreement.)

(4) Supplier warrants that all employees involved in Contract Processing of Company's Data and other such persons as may be involved in Contract Processing within Supplier's scope of responsibility shall be prohibited from processing Data outside the scope of the instructions. Furthermore, Supplier warrants that any person entitled to process Data on behalf of Controller has undertaken a commitment to secrecy or is subject to an appropriate statutory obligation to secrecy. All such secrecy obligations shall survive the termination or expiration of such Contract Processing.

(5) Supplier shall notify Company, without undue delay, if Supplier becomes aware of breaches of the protection of personal data within Supplier's scope of

responsibility.

Supplier shall implement the measures necessary for securing Data and for mitigating potential negative consequences for the data subject; the Supplier shall coordinate such efforts with Company without undue delay.

(6) Supplier shall notify to Company the point of contact for any issues related to data protection arising out of or in connection with the Agreement.

(7) Supplier warrants that Supplier fulfills its obligations under Article 32 (1)(d) of the GDPR to implement a process for regularly testing, assessing and evaluating the effectiveness of technical and organisational measures for ensuring the security of the processing

(8) Supplier shall correct or erase Data if so instructed by Company and where covered by the scope of the instructions permissible. Where an erasure, consistent with data protection requirements, or a corresponding restriction of processing is impossible, Supplier shall, based on Company's instructions, and unless agreed upon differently in the Agreement, destroy, in compliance with data protection requirements, all carrier media and other material or return the same to Company.

In specific cases designated by Company, such Data shall be stored or handed over. The associated remuneration and protective measures shall be agreed upon separately, unless already agreed upon in the Agreement.

(9) Supplier shall, upon termination of Contract Processing and upon Company's instruction, return all Data, carrier media and other materials to Company or delete the same.

(10) Where a data subject asserts any claims against Company in accordance with Article 82 of the GDPR, Supplier shall support Company in defending against such claims, where possible.

4. COMPANY'S OBLIGATIONS

(1) Company shall notify Supplier, without undue delay, and comprehensively, of any defect or irregularity with regard to provisions on data protection detected by Company in the results of Supplier's work.

(2) Section 3 para. 10 above shall apply, mutatis mutandis, to claims asserted by data subjects against Supplier in accordance with Article 82 of the GDPR.

(3) Company shall notify to Supplier the point of contact for any issues related to data protection arising out of or in connection with the Agreement.

5. ENQUIRIES BY DATA SUBJECTS

(1) Where a data subject asserts claims for rectification, erasure or access against Supplier, and where Supplier is able to correlate the data subject to Company, based on the information provided by the data subject, Supplier shall refer such data subject to Company. Supplier shall forward the data subject's claim to Company without undue delay. Supplier shall support Company, where possible, and based upon Company's instruction insofar as agreed upon. Supplier shall not be liable in cases where Company fails to respond to the data subject's request in total, correctly, or in a timely manner.

6. OPTIONS FOR DOCUMENTATION

(1) Supplier shall document and prove to Company Supplier's compliance with the obligations agreed upon in this exhibit by appropriate measures.

Company and Supplier agree that documentation and proof can also be submitted through the production of the following documentation and/or certifications

- certifications of the operator of the datacenter
- conducting an own self-audit

(2) Where, in individual cases, audits and inspections by Company or an auditor appointed by Company are necessary, such audits and inspections will be conducted during regular business hours, and without interfering with Supplier's operations, upon prior notice, and observing an appropriate notice period. Supplier may also determine that such audits and inspections are subject to prior notice, the observation of an appropriate notice period, and the execution of a confidentiality undertaking protecting the data of other customers and the confidentiality of the technical and organisational measures and safeguards

implemented. Supplier shall be entitled to rejecting auditors which are competitors of Supplier.

Company hereby consents to the appointment of an independent external auditor by Supplier, provided that Supplier provides a copy of the audit report to Company.

Supplier shall be entitled to requesting a remuneration for Supplier's support in conducting inspections where such remuneration has been agreed upon in the Agreement. Supplier's time and effort for such inspections shall be limited to one day per calendar year, unless agreed upon otherwise.

(3) Where a data protection supervisory authority or another supervisory authority with statutory competence for Company conducts an inspection, para. 2 above shall apply mutatis mutandis. The execution of a confidentiality undertaking shall not be required if such supervisory authority is subject to professional or statutory confidentiality obligations whose breach is sanctionable under the applicable criminal code.

7. SUBCONTRACTORS (FURTHER PROCESSORS ON BEHALF OF COMPANY)

(1) Supplier shall use subcontractors as further processors on behalf of Company only where approved in advance by Company.

(2) A subcontractor relationship shall be subject to such consent of Supplier commissioning further supplier or subcontractors with the performance agreed upon in the Agreement, in whole or in part. Supplier shall conclude, with such subcontractors, the contractual instruments necessary to ensure an appropriate level of data protection and information security.

Company hereby consents to Supplier's use of subcontractors. Supplier shall, prior to the use or replacement of subcontractors, inform Company thereof.

Company shall be entitled to contradict any change notified by Supplier within a period of 10 business days and for materially important reasons. Where Company fails to contradict such change within such period of time, Company shall be deemed to have consented to such change. Where a materially important reason for such contradiction exists, and failing an amicable resolution of this matter by the parties, Company shall be entitled to terminating the Agreement.

(3) Where Supplier commissions subcontractors, Supplier shall be responsible for ensuring that Supplier's obligations on data protection resulting from the

Agreement and this exhibit are valid and binding upon subcontractor.

8. OBLIGATIONS TO INFORM, MANDATORY WRITTEN FORM, CHOICE OF LAW

(1) Where the Data becomes subject to search and seizure, an attachment order, confiscation during bankruptcy or insolvency proceedings, or similar events or measures by third parties while in Supplier's control, Supplier shall notify Company of such action without undue delay. Supplier shall, without undue delay, notify to all pertinent parties in such action, that any data affected thereby is in Company's sole property and area of responsibility, that data is at Company's sole disposition, and that Company is the responsible body in the sense of the GDPR.

(2) No modification of this annex and/or any of its components – including, but not limited to, Supplier's representations and warranties, if any – shall be valid and binding unless made in writing or in a machine-readable format (in text form), and furthermore only if such modification expressly states that such modification applies to the regulations of this annex. The foregoing shall also apply to any waiver or modification of this mandatory written form.

(3) IIn case of any conflict, the data protection regulations of this annex shall take precedence over the regulations of the Agreement. Where individual regulations of this annex are invalid or unenforceable, the validity and enforceability of the other regulations of this annex shall not be affected.

(4) This annex is subject to the laws of Germany.

9. LIABILITY AND DAMAGES

The regulations on the parties' liability contained in the Agreement shall be valid also for the purposes of Contract Processing, unless expressly agreed upon otherwise.

ANNEX 1 – LIST OF PERONAL DATA AND REASON OF PROCESSING

Data (content of websites, content of online storage, content of databases, etc.) that were stored in the packages provided (web hosting packages, managed servers, virtual servers, dedicated servers, online storage space, databases, etc.) by company or users authorised by him:

The company must tick the appropriate box:

☐ Accounting data
☐ Address data
☐ Offer data
☐ Authentication data
☐ Bank details
☐ Order data
☐ Images
☐ Emails
☐ Financial data
☐ Passwords
☐ Personal data
☐ Programm code
☐ Profile data
☐ Master data
☐ Transaction data
☐ Contract data
☐ Videos

☐ Additional data (please separate by commas):

Categories of sensitive personal data:

☐ Biometrical data
☐ Genetic data
☐ Healthy data
☐ Children's data
☐ Data explaining political opinions
☐ Data of racial and ethnic origin
☐ Data of religious or ideological beliefs
☐ Data of union membership
☐ Data of sexual life or sexual orientation
☐ Data to evaluate personality, abilities, performance or behaviour

ANNEX 2 - EXHIBIT ON TECHNICAL AND ORGANISATIONAL SECURITY MEASURES IN ACCORDANCE WITH ARTICLE 32 OF THE GDPR

1. CONFIDENTIALITY

(1) Measures to deny unauthorised persons access to data processing systems with which the personal data are processed and used:

- Only trustworthy and authorised persons have access to the offices.
- Appropriate security measures in data centers by the operator (video surveillance, biometric access control, locked server rooms, locked server racks)

(2) Measures to prevent data processing systems from being used by unauthorised persons:

- Password-secured server systems & networks
- Use of access authorisation in relation to data shares
- Use of secure passwords consisting of more than 8 characters, special characters, upper and lower case letters and numbers

(3) Measures which guarantee that the persons authorised to use a data processing system can only access the data subject to their access authorisation and that personal data cannot be read, copied, modified or removed without authorisation during processing, use and after storage:

- User role/group concept
- Antivirus program with continuous, automatic updating
- Time-controlled screen lock with login
- Methods for the complete destruction of documents

2. INTEGRITY (Art 32 Para 1 lit b GDPR)

(1) Measures to ensure that personal data cannot be read, copied, altered or removed without authorisation during electronic transmission or during transport or storage on data carriers, and that it is possible to check and establish to which points personal data is to be transmitted by data transmission devices:

- Access via VPN
- Encrypted transmission paths

- Identification / Authentication
- Regulation for data carrier destruction

3. Availability, resilience, recoverability (Art 32 para 1 lit b, c GDPR)

(1) Measures to ensure that personal data is protected against accidental destruction or loss:

- All servers are located in European data centers
- RAID disk space
- Data backup concepts
- Immediate replacement of defective hardware by local service providers
- Virus scanner, rootkit protection, firewalls

4. Procedure for regular review, assessment and evaluation (Art 32 para 1 lit d GDPR; Art 25 para 1 GDPR)

(1) Measures to ensure that personal data processed on behalf of the client can only be processed in accordance with the client's instructions:

- Order data processing contracts are concluded between the contractor and any subcontractors if required.
